Single-sided vs Double-sided

Our feather and teardrop banners are available in single as well as double sided display.

Single-sided

Image is printed on 1 side of the banner for single sided display. The back side shows the see-through mirror image of the front side.

Double-sided

Two single sided banners are sewn back to back enabling a double sided display. A block-out material is sewn between the banners to prevent light from shining through.

X Base vs Spike Base

X Base

Standard X base for use when displaying on flat ground. An optional water bag (\$) is available to provide extra weight and stability.

X Base

Spike Base

With the optional spike base, your banner is securely fixed in ground. Perfect for displaying your banner in the grass and dirt.

X Base with Water Bag

Spike Base

Finishing

The Printing Fabric is sewn to a pole pocket that insert into pole. The banner attaches to the pole by tying the stretchable strings to the pole bracket.
